T. M. C. A. Worker Tells Senate Committee Bolshevism Is Linked With I. W. W.

CREED BASED ON CHAOS

Radical Wife of John Reed Asks to Be Heard in Defence of Soviets.

war. They endeavored to picture condi-tions as found. They were a unit as to the hopelessness of the Lenine-Trotzky
Looks experiment, although their testimony varied as to the degree of sincerity they were willing to ascribe to the Bolshevist

Mr. Dennis linked the I. W. W. movement in the United States with Eolarshevism in Russia, saying the two elements were of identical character in the two nations. "Their whole creed," he said, "is predicated on the disorganization of society and the substitution of connection with the Victory Liberty Loan of any such amount of bonds as

imation of society and the substitution of chaos and anarchy."

Mr. Dennis was followed by Robert Leonard of Minnesota, another Y. M. C. A. worker. Mr. Dennis's observations had been for the most part in Petrograd. Mr. Leonard had been stationed for the larger part in the provinces. He had been in Astrakhan when the Bolthah been in Astrakhan when the Bolthah overthrew the Kerensky Government. He had been removed to the town of Tsariesen, where he was thrown increase in the amount of bonds authorized to be issued. In making the town of Tsariteen, where he was thrown into jall by order of the Kommissar of the district.

Released Through Scandinavians. He was kept from communicating

with any one, and only when he had out of the war. been observed through the windows of his prison by a Belgian agent leaving Tearlisen for Moscow was it that word was conveyed to the central Govern-ment of his imprisonment. Tehitcherin. the Bolahevist Kommissar for Foreign and I should like to suggest also an increase be sent to Moscow, but this was ignored by the local kommissar, so that Leonard spent six weeks in jail, part of the time occasions.

Russia to the ald of Liebknecht.

The witness frequently quoted views of a Holshevist official. Makrovsky, with whom he had been confined in fail at Tearlisen. Makrovsky, he said, through observation of the workings of Bolshevist in practice, became a convert to the opinion that the ultimate collapse of the Lenine-Trotzky regime must follow. Makrovsky was the Bolshevist superintendent of the oil industry, which had been taken out of private hands by the Government. He expressed the opinion that Datine was sincere, but held different views in regard to Trotzky. He suspected Trotzky of ambitions to build suspected Trotaky of ambitions to build spect to bonds of a maturity of ten years up, through his control of the military or less I have asked authority to deterand naval forces of Russia, a strong mine the interest rate as the situation Government, with himself as dictator,

Louise Bryant, wife of John Reed, was present at the hearing to-day. She asked Chalrman Overman at the end of the Session if she might testify. Senator Overman said he would give here a definite answer to-morrow. Some Senators think that Bolshevist sympathizers of the type of Miss Bryant. Reed and Albert Rhys Williams are too anxious to be heard for the publicity which their recovering will said themselved the same a maximum rate much higher than that which if vement will gain through their ap-

"Before the President sailed for Entrope he took no one into his confidence; he summoned mone to conference. To i exaggerate when I say the auxieties of tae people are increased over the outcome of this wast unpublished scheme r."

Representative McCormick said that in the last election he voters of America answered the President's appeal for support of Democratic Congress nominees by rolling up a three-quarter million increase for the iterableau candidates.

WANTED—Specimens of writing of Itanumumi typewrites or Hammond catalogues or a Hammond catalogue or a Hammond machine antedating to the congress of the iterableau of the support of Democratic Congress nominees by rolling up a three-quarter million increase for the iterableau of the sound to saving and to the retention of the ment to saving and to the retention of the mont to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the retention of the points; two, it would tend to limit to saving and to the re

PREMIUM ON BONDS

ertificates, that was not covered and talments on subscriptions for the bonds of the Fourth Liberty Loan, but expendi-tures in November, Decmeber and Jan-uary, according to the Treasury daily statement, exclusive of transactions in se principal of the public debt, amounted \$5.955,576,114, or at the rate of nearly \$2,000,000,000 a month, and the amount of Treasury certificates of indebtedness outstanding January 21 was \$4.798,084,-890, of which \$3,225,099.50 were issued in anticipation of the Victory Liberty

Special Despatch to The Str.

Washington, Feb. 13.—The Overman sub-committee of the Senate Judiciary Committee investigating Boishevism in the United States heard testimony to-day of American observers of the conditions in the distracted country who recently returned from the chaos into which the various reactions have thrown the once great empire. The witnesses were all Y. M. C. A. workers sont to Russia after America's entrance into the Covernment of their probable extending the resulting and other departments of the Covernment of the recently seven in the conditions.

In anticipation of the first seven within these limits I believe it is expedient that the Treasury should have expedient that the Treasury should have a specific principal of the probable of the first seven months of the probable of the first seven months of the probable of the first seven months of the first seven months of the probable of the first seven months of the probable of the first seven months of the first seven months of the probable of the principal of the probable of the first seven months of the probable of the first seven months of the probable of the probable of the first seven in the probable of the principal of the probable of the principa

"The cash disbursements during the first ten days of the current month of Ralph Dennis, the first witness, told anyments on the settlement of information denominates that the conversion of the memy continues are being held in abeyworld to Bolshevism was the ultimate ance awaiting enactment of appropriate angles of the whole movement. In legislation and that protracted discussion and that protracted discussion are supported to the settlement of information and the protracted discussion and that protracted discussion are supported to the settlement of information and the settlement of information are provided to the settlement of information and the settlement of information are provided to the settlement of information and the settlement of information are provided to the sett February have shown a gratifying de-crease, but the knowledge that heavy syments on the settlement of informal illustration he recounted how at his concerning the terms of peace will necessitate the continuance of large military had said to him: "Good-by, I will see you in about ten years. We are coming over to pull off the same show there."

Mr. Dennis said 25 per cent, of the higher officials of the Bolsevist Government had lived in the United States for forward to any great reduction in cash from the continuance of large expenditures abroad, the continuance of large military expenditures by the Shipping Board, the navy programme and the guarantees and commitments of the Food migher of the Bolsevist Government had lived in the United States for forward to any great reduction in cash

from two to thirteen years. "Among these very people who have enjoyed the privilege of residence in the United States," said Mr. Dennis, are to be found the bitterest and most fanatical opponents of all organized government in the world."

Mr. Dennis United the L. W. W. States in the authorized amount of the components of the componen

thorized to be issued. In making the change it seemed wise to suggest an increase to a figure which so far as at present information is available would seem to represent the maximum possi-ble amount of the bonded debt growing

"Not in addition to but as an alterna tive of the issue of such bonds I have suggested the authorization of an issue of notes limited to \$10,000,000,000, and I

in softiary confinement, only to be sent to Moscow and again incarcerated for three weeks more before his release was effected through Scandinavian officials. Part of the time, Leonard told the committee, he was locked in a room six feet by thirteen and a half with four other prisoners.

Mr. Leonard dwelt at length on the effect on the spirits of the Boisheviki leaders of the every of the war on the west front. He said that after his rethance he had been in Pettograd in November at the time the war was drawing to a close. The Bolshevists were in panic when surrender of the Germans was certain. They grew "cocky" once more when the Liebknecht group seemed. was certain. They grew "cocky" once more when the Liebknecht group seemed likely to gain the upper hand in Germany and again subsided as to sprits when the non-success of the Spartacan movement became apparent.

Sent Money to Aid Liebknecht.

Sent Money to Aid Liebknecht. Bent Money to Aid Liebknecht.

The Bolshevists had held high hopes that the Liebknecht group in Germany would pave the way for the spread of their movement all over Europe. They had sent large sums of money out of Russia to the aid of Liebknecht.

The would nake necessary authorations of hoth the recessary authorative to issue a short time note bearing a relatively high rate of interest and carrying with it the privilege of conversion into bonds hearing interest at a lower rate and having a longer maturity.

The would make necessary authorative for the large of both the recessary authorative for the large of the lar

may develop. I am by no means con-vinced that conditions will be such in ment when the issue is offered in April I should be obliged to name a maximum rate much higher than that which if developments are as favorable as I ex-

developments are as favorable as I expect they will be in the interval will. I hope, be sufficient to float the loan. "The floating debt represented by Treasury certificates now outstanding and to be issued in the interval before the Victory Liberty Loan is offered must be refunded and bonds or notes must be sold to an amount sufficient to accomished the refunded and bonds or notes must be sold to an amount sufficient to accomish

plish this purpose. To withhold from the Secretary of the Treasury the power to issue bonds or notes bearing such rate of interest as may be necessary to make this refunding possible might result in a catastrophe. To specify in the act the maximum amount of interest at a figure man at large and United States Sena-tor-elect, who spoke at the National con-ference of State Manufacturers' Associa-gurely be taken by the public as the

"I have suggested that authority be conferred upon the Treasury to issue "What do we know of the negotiations in Europe." Before he sailed Mr. Wilson said he would be in close touch with the American people, but he has not fulfilled his promise."

The speaker said it was possibly due to tack of effective cable service under the present political management. He continued:

"Before the President sailed for Europe."

HALT CALLED IN BIG

CITY STOCK ISSUE

Of Estimate information on which it might base a refunding proceeding. He quoted from letters to show that when the feelt many in of the city is limited to the proposition was first broached by the Comptroller the commission said that it would be glad to consider the matter, but first desired a conference to determine whether the issue of corporate stock for refunding past expenses would so seriously impair the city's would so seriously impair the city's borrowing capacity that it would be impossible to get the necessary money to complete the rapid transit lines.

Application has been made to the court is to prevent the city administration from issuing \$4,500,000 in corporate.

"I have asked for authority to determine the exemptions from taxation to be carried by the bonds, notes and Treasury certificates. Such exemptions could not be greater than that conferred by the Congress in the First Liberty bond act. It would not be less than exemption from State and local taxes.

"Within these limits I believe it is expedient that the Treasury should have chairman, claims that the refunding sutherity to determine the exemptions from issuing \$4,500,000 in corporate

stock into the general fund for the reduction of taxation, thus keeping down the tax rate. The Citizens Union points out that this method of financing decreases the debt incurring power of the hird carried a higher rate of interest oily and puts the burden upon future than those of the second and the bonds generations. It states that at 414 per of the fourth carried greater exempcosts \$1.69 for interest and stoking fund "That something must be done to charges, so that at the end of the fifty make the bonds, or notes, of the Victory Liberty Loan more attractive than neith predicessors is apparent. Whether the needed attraction should be found in this basis \$12,105,900 would have to be increased increase at the contract to the contrac

Borse, Idaho, Feb 12.—Idaho abandoned to-day the direct primary system of nominating State and Congress officers when the Legislature passed the bill to confine the operations of the primary system to the nomination of county candidates and delegates to State conventions.

The new bill is in the hands of Gov. Davis for his signature.
